Eligibility Criteria

- Graduation (any discipline) with 50% and above marks, with English as the medium of instruction.
- Applicants must have completed at least 15 years of education (10+2+3 or 10+2+4 basis).
- Candidates not meeting the English medium criterion must submit TOEFL/ NELT/ IELTS scores by May 31, 2026.
- Final-year students are eligible to apply, provided they complete all graduation requirements (including practical exams, viva, assignments) before May 31, 2026.
- Admission will remain provisional until they submit required academic proof.
- Last date for submission of graduation documents: November 1, 2026.
- Eligibility verification will begin from August 2026. It is the candidate's responsibility to ensure they meet all criteria.

Selection Process

- Candidates shortlisted based on their scores in IBSAT 2025, or through CAT, NMAT by GMAC™, XAT, or GMAT™ (from 2023 onwards), will be invited for the selection process starting in the second week of February, 2026.
- The process includes two components: Micro Presentation and Personal Interview.

Micro Presentation

- This part of the process is designed to assess a candidate's ability to think on their feet, organize their thoughts, and communicate effectively. Candidates will get 1 minute to prepare and 3 minutes to speak on a general topic assigned at random.

Personal Interview

- The interview lasts about 5 to 7 minutes and is conducted by a panel that evaluates the candidate's attitude, clarity of thought, communication skills, awareness of current affairs, and overall readiness for a career in management.

Admission decision

- Final selection is based on past academic performance, along with performance in the Micro Presentation and Personal Interview.
