

भारतीय प्रबन्धन संस्थान, रोहतक
Indian Institute of Management Rohtak

TWO YEAR MASTER OF MANAGEMENT STUDIES (MMS) Batch 2022-24

A composite delivery mode programme (online/offline) to be conducted through a combination on Virtual and In-campus sessions.

About IIM Rohtak:

Indian Institute of Management Rohtak is the IIM established by the Ministry of Education, Government of India. IIM Rohtak is an institute of national importance as per Ministry of HRD, Government of India. IIM Rohtak is a benchmark for top management education in India with a vision to become a global leader in due course. The institute has an enlightened and progressive leadership, acclaimed faculty members, extensive infrastructure and robust teaching pedagogy in place. Located within the National Capital Region (NCR) of India, the permanent campus of IIM Rohtak is 90 minutes from Delhi international airport. The state-of-the-art campus spread over an area of 200 acres is strategically located on National Highway - 10 and is well connected to Delhi. IIM Rohtak has been ranked 8th in the country on educational ranking. Institute offers a dynamic environment for high-quality research in all functional areas of management that will benefit various segments of the business and society.

About the Programme:

Executive Master of Management Studies is a two-year programme offered in a blended learning mode. The objective of the programme is to impart management education to the working professionals who are seeking managerial skills to take their organization to next level. The programme is designed to deliver contemporary principles of management and practical insights. The academic rigor, programme design and precision in the delivery will enable the participants to be outstanding managers in the challenging business environment.

Objectives of the Programme:

The focus of the programme is on general management orientation and practical knowledge with an emphasis on inculcating exemplary leadership in challenging managerial situations.

- The programme aims at providing practical knowledge and personalized learning with a focus on an intensive, multi-functional view of leadership.
- The programme's focus is on sharpening critical managerial skill sets, solidifying leadership capabilities, and learning the tools and techniques for long-term success of an organization.
- The programme insists upon an amalgamation of practical knowledge and personal awareness by honing analytical skills, facilitating new strategic frameworks, and building greater confidence.

Certification:

On successful completion of the 2-Year Master of Management Studies Programme, the participants will be awarded 'Master of Management Studies' Degree. IIM Rohtak alumni status will be awarded to all the participants.

Programme Highlights:

- **Campus Immersions:** Total four-campus immersions during the programme that introduces the participants to the culture and pedagogy of IIM Rohtak and helps them to understand the self while making a transition to the future.
- **Courses:** Bouquet of core and elective courses provide a rigorous grounding in the fundamentals of management. The courses are designed to cover various aspects of business management.
- **Independent Research Project:** Focused projects offer opportunities to explore new areas of learning and encourage participants to reflect on and leverage past experiences.

Programme Design & Duration*

Duration of the programme will be two years. This will include more than 1150 hours of interactive sessions with a mix of Offline Sessions, and Interactive Project Work.

Session Duration: 1 hour 15 minutes

There will be four to six mandatory on-campus modules at IIM that will be delivered in offline mode.

Online Sessions will be scheduled thrice a week every Friday, Saturday, and Sunday.

- **Friday (Evening):** 2 Sessions
- **Saturday (Evening):** 2 Sessions
- **Sunday (Morning):** 2 Sessions*

*Tentative

Delivery: We have a state of the art Online Synchronous Learning Technology platform using one of the best technologies (Direct to Desktop/Direct to Device) where students can attend their online sessions from anywhere with the help of Laptops, Tablets, etc.

Evaluation

Apart from End-Term examinations, evaluation may also include Live Projects, Online Assessments, Case Study Discussions, Quizzes, Assignments, and Class Participation.

The final decision on evaluation methods will rest with the course faculty and may change with prior intimation.
