Post-Graduate Diploma in Management  
(Infrastructure Management)

AICTE approved 2-year full-time programme

## Adani Institute of Infrastructure Management (AIIM)

Adani Institute of Infrastructure Management (AIIM) is Adani Group's initiative set up in 2009 as a part of Adani Institute of Education & Research with the goal of building nation builders and future business leaders in the field of infrastructure management.

With its pool of highly distinguished faculty team and sector leaders, AIIM provides a perfect ambience that fosters intellectual inquiry, furthers professional growth and equips students to manage mammoth challenges of the fast growing infrastructure sector. With its thrust on blend of strong, conceptual, analytical and decision-making skills, it arms the students with the skills-set required to take leadership positions.

### Post-Graduate Diploma in Management (Infrastructure Management) - PGDM (IM)

AIIM offers 2-year full-time Post Graduate Diploma in Management (Infrastructure Management), duly approved by AICTE, for graduates who are passionate about pursuing a career in Infrastructure.

During first year, students get a core curriculum that provides a thorough, integrated grounding in management & infrastructure essentials and at the same time, they get exposure to the sector via site visits and projects integrated with courses and summer internships. During second year, in addition to some core courses, students round off their degree with multiple specialised electives to choose from.

## The AIIM Edge

- Developing a global mindset through live infra-project visits and case studies
- In-depth sectoral exposure in verticals such as roads and bridges, ports, urban infrastructure, railways, airports, mining, power, oil and gas, renewable energy, etc.
- Backed by Adani Group, India's largest integrated infrastructure conglomerate
- Extensive Industry Interface with infrastructure leaders and corporate mentors
- Renowned faculty and eminent industry practitioners disseminating personalised learning
- International Academic Collaboration with Purdue University, USA
- State-of-the-art campus with best in-class amenities
